WHY SEND A KID TO CAMP?

"There are many things I absolutely love about Camp Jubilee. This would be my experiences there, the people, and how it's changed my life. I always look forward to going back to Camp Jubilee; well actually I never want to leave in the first place. To me, Camp Jubilee is another home.

My experiences at Camp Jubilee are once in a lifetime kind of experiences. When I am there, I feel at home. Camp Jubilee is just that welcoming and home-like. I also love all the activities we do there such as, kayaking, canoeing, out trips, archery, high ropes, low ropes, swimming, rock climbing, air bands, and so on.

When I'm at camp so many new friendships are made and some even grow stronger. Like I've met 2 new best friends at camp, both of which I know I'll always have. Do you know what completes camp? The people there do. The staff that work there are absolutely amazing, the best people I know actually."
